

# CSIR- INDIAN INSTITUTE OF CHEMICAL BIOLOGY

## Annual Procurement Plan Consumable List for the year 2023-24

| Chemicals, Rare chemicals, Reagents & Solvents |                                 |               |                   |                      |
|--|---------------------------------|---------------|-------------------|----------------------|
| Sl. No.  | Generic name                    | Specification | Quantity          | Approx Cost (In Rs.) |
| 1  | ECL (NORMAL, CLARITY MAX)       |               | 6                 | 90000.00             |
| 2  | PHENOL-CHLOROFORM MIX           |               | 2 bottles         | 15000.00             |
| 3  | TEMED                           |               | 50 ml             | 5000.00              |
| 4  | TCA                             |               | 25 gm             | 10000.00             |
| 5  | DEPC                            |               | 25 gm             | 10000.00             |
| 6  | HEXADIMETHRINE BROMIDE          |               | 10 gm             | 12000.00             |
| 7  | PARAFORMALDEHYDE                |               | 100 ml            | 10000.00             |
| 8  | TRIZOL                          |               | 500 ml            | 50000.00             |
| 9  | IPTG                            |               | 25 gm             | 40000.00             |
| 10   | CYCLO HEXIMIDE                  |               | 10 gm             | 15000.00             |
| 11   | PIC                             |               | 20 gm             | 60000.00             |
| 12   | NICOTINAMIDE                    |               | 10 gm             | 5000.00              |
| 13   | PMSF                            |               | 10 gm             | 20000.00             |
| 14   | MG132                           |               | 5 mg              | 10000.00             |
| 15   | ATP                             |               | 5 mg              | 8000.00              |
| 16   | 10mM dNTP mix                   |               | 5 x 100 mM bottle | 10000.00             |
| 17   | Retinoic acid                   |               | 5 mg              | 6000.00              |
| 18   | Doxorubicin                     |               | 5 mg              | 8000.00              |
| 19   | Amphotericin                    |               | 5 mg              | 5000.00              |
| 20   | Ampicillin sodium salt          |               | 50 g              | 15000.00             |
| 21   | DTT                             |               | 5 gm              | 5000.00              |
| 22   | Kanamycin                       |               | 10 gm             | 8000.00              |
| 23   | Puromycin                       |               | 5 gm              | 8000.00              |
| 24   | Gentamycin                      |               | 5 gm              | 8000.00              |
| 25   | X-Gal                           |               | 1 gm              | 12000.00             |
| 26   | Chloramphenicol                 |               | 5 gm              | 5000.00              |
| 27   | Protein Ladder                  |               | 20 x 250 ul       | 150000.00            |
| 28   | DNA Ladder HMW                  |               | 20 x 250 ul       | 60000.00             |
| 29   | 4-iodophenyl boronic acid       |               | 25g               | 26000.00             |
| 30   | 5-Fluorouracil                  |               | 5g                | 11000.00             |
| 31   | Adenine                         |               | 25g               | 5000.00              |
| 32   | Ammonium acetate                |               | 500g              | 1500.00              |
| 33   | Ammonium bicarbonate            |               | 500g              | 1500.00              |
| 34   | Ammonium chloride               |               | 500g              | 1500.00              |
| 35   | Ammonium sulphate (purified)    |               | 500g              | 1500.00              |
| 36   | APS                             |               | 100g              | 2500.00              |
| 37   | Brilliant Blue R                |               | 10g               | 2000.00              |
| 38   | Bromophenol Blue                |               | 5g                | 2500.00              |
| 39   | Calcium chloride                |               | 500g              | 1500.00              |
| 40   | Coomassie brilliant blue G      |               | 25g               | 2500.00              |
| 41   | EDTA                            |               | 500g              | 7000.00              |
| 42   | EtBr                            |               | 5g                | 5000.00              |
| 43   | Glycine                         |               | 4 x 5kg           | 60000.00             |
| 44   | Guanidine Hydrochloride         |               | 500g              | 3000.00              |
| 45   | Hepes Buffer                    |               | 100g              | 5000.00              |
| 46   | Imidazole                       |               | 100g              | 4000.00              |
| 47   | Lithium Chloride                |               | 500g              | 4000.00              |
| 48   | Magnesium chloride hexahydrate  |               | 500g              | 1500.00              |
| 49   | Manganese chloride tetrahydrate |               | 500g              | 1500.00              |
| 50   | Pluronic F-68                   |               | 100g              | 6000.00              |
| 51   | Potassium carbonate             |               | 500g              | 1500.00              |
| 52   | Potassium chloride              |               | 2 x 5kg           | 20000.00             |
| 53   | Potassium dihydrogen phosphate  |               | 500g              | 1500.00              |
| 54   | Potassium hydroxide             |               | 500g              | 1500.00              |
| 55   | Potassium permanganate          |               | 500g              | 1500.00              |

|    |                                      |  |   |           |
|----|--------------------------------------|--|---|-----------|
| 56 | SDS                                  |  | 1kg   | 10000.00  |
| 57 | Sodium acetate                       |  | 250g  | 2000.00   |
| 58 | Sodium azide 99.5%                   |  | 25g   | 3000.00   |
| 59 | Sodium Butyrate                      |  | 100g  | 8000.00   |
| 60 | Sodium deoxycholate                  |  | 100g  | 6000.00   |
| 61 | Sodium hydroxide                     |  | 500g  | 2000.00   |
| 62 | Xylene cyanol                        |  | 5g  | 2000.00   |
| 63 | 2-Mercaptoethanol                    |  | 250ml   | 4000.00   |
| 64 | Agarose                              |  | 4 x 500g  | 20000.00  |
| 65 | Boric acid                           |  | 500g  | 2000.00   |
