

## Certificate Course on X-ray Crystallography (small molecules )

**CODE: IICB-XRD-SM** 

CSIR-IICB offers a training course in "X-ray crystallography" to generate to generate skilled human resources for chemical and life science sector, especially pharmaceutical industry. The course is specially targeted to candidates having chemical/pharmaceutical background with a basic knowledge in chemistry.

**Educational Qualifications**: UG or PG (in any branch of Science/Technology/Pharmacy)

(Pursuing/Completed degree)

Venue Of the course : CSIR-IICB

Age Group : 18 and above

**Medium of Instruction** : English

Venue : CSIR-IICB, Jadavpur Campus

**Duration** : 2 weeks(31st July to 11th Aug 2023)

**Course Fees** : Rs 5000/-(Inclusive of GST)

#### The course will cover-

- ✓ To train the participants on how to solve the molecular structure with X-ray diffraction
- ✓ Training Curriculum:
- ✓ A short introduction to the basics of X-ray crystallography and crystal structure determination
- ✓ Basic training in x-ray diffraction data collection of crystals
- Extensive training in molecular structure determination with the computer programs

### **CSIR Integrated Skill India Initiative**

# Certificate Course on X-ray Crystallography (small molecules )

### Salient Features of the course:

| Equal priority to theory and practical sessions                                |
|--|
| Tutorials will be provided by eminent scientists of organic and medicinal      |
| chemistry background   |
| Hands-on training on relevant instruments                                      |
| Professional skill development, case study, evaluation and certification       |
| Lectures, assisted with multimedia aids  |
| Case studies   |
| Group discussions/interactive sessions   |
| Seats Available: 10 (Shortlisting will be based on first come-first serve      |
| policy and eligibility criteria of the course)                                 |
| Due to limited availability of seats, early registration through online        |
| application is recommended .   |
| Candidates can apply for multiple courses. In such cases, shortlisting will be |
| based on fulfilment of eligibility conditions, availability of seat and number |
| of single choice applicants for the course                                     |
| Admission process is completely online including the payment of fees.          |
| Once a candidate is shortlisted for a particular course, any request for       |
| change of course will not be accepted .  |
| Candidates cannot take admission simultaneously in two different courses       |
| Only those candidates will be considered eligible for the course who have      |
| received at least single dose of COVID vaccination approved by Govt. of        |
| INDIA  |
