Only Class I local suppliers and Class II local suppliers are eligible to bid. The bidders are divisible in nature, the Class I local supplier who will get purchase preference over Class II local supplier :

(i) Among all qualified bids, the lowest bid will be termed as L1. If L1 is 'Class I Local Supplier', the contract for full quantity will be awarded to L1.

(ii) If L1 bid is not from a Class I local supplier, 50% of the order quantity shall be awarded to L1. Thereafter, the lowest bidder among the Class I local suppliers, will be invited to match the L1 price for the remaining 50% quantity, subject to the Class I local supplier's quoted price falling within the margin of purchase preference of 20%. The contract for that quantity shall be awarded to such eligible Class I local supplier, who matches the L1 price. In case such lowest eligible Class I local supplier fails to match the L1 price or accepts less than the offered quantity, the next higher Class I local supplier within the margin of purchase preference shall be invited to match the L1 price for the remaining quantity and so on. The contract shall be awarded accordingly. In case some quantity is still left uncovered on the part of Class I local suppliers, the balance quantity may also be ordered to the L1 bidder.

If the tendered item is not divisible, the Class I local supplier shall get purchase preference over Class II local supplier as well as non-local supplier as per the following procedure:

i. Among all qualified bids, the lowest bid will be termed as L1. If L1 is from a Class I local supplier, the contract will be awarded to L1.

ii. If L1 is not from a Class I local supplier, the lowest bidder among the Class I local suppliers will be invited to match the L1 price, subject to Class I local supplier's quoted price falling within the margin of purchase preference of 20%. Accordingly, the contract shall be awarded to the Class I local supplier matching the L1 price.

iii. In case such lowest eligible Class I local supplier fails to match the L1 price, the Class I local supplier with the next higher bid within the margin of purchase preference shall be invited to match the L1 price. This may be repeated until all the local suppliers are given an opportunity to match the L1 price and so on and contract shall be awarded accordingly. In case none of the Class I local suppliers within the margin of purchase preference match the L1 price, the contract may be awarded to the L1 bidder.

iv. Class II local supplier will not get purchase preference in any procurement process.

Further, In tender, where the items are divisible, the participating Micro and Small Enterprises (MSE) quoting price within price band of L1+15 (fifteen) per cent shall also be allowed to supply a portion of requirement by bringing down their price to L1 price in a situation where L1 price is from someone other than a MSE and such MSE shall be allowed to supply up to 25 (twenty five) per cent of total tendered value. The firm has to give notice of FM as soon as it occurs and it cannot be claimed ex-post facto. There may be a FM situation affecting the purchase organization only. In such a situation, the purchase organization is to communicate with the supplier along similar lines as above for further necessary action. 43.6 The performance security must be received within 21 days. However, the Purchaser has the powers to extend the time frame for submission of Performance Security (PS). Even after extension of time, if the PS is not received, the contract is liable to be cancelled provided that the purchaser, on being satisfied that it is not a case of cartelization and the integrity of the procurement process has been maintained, may, for cogent reasons, offer the next successful bidder an opportunity to match the financial bid of the first successful bidder, and if the offer is accepted, award the contract to the next successful bidder at the price bid of the first successful bidder.

43.7 Whenever, the bidder chooses to submit the Performance Security in the form of Bank Guarantee, then he should advise the banker issuing the Bank Guarantee to immediately send by Registered Post (A.D.) an unstamped duplicate copy of the Guarantee directly to the Purchaser with a covering letter to compare with the original BG for the correctness, genuineness, etc.
